

ASSOCIATION BROCHURE

The background is a dark blue field filled with various geometric shapes and patterns. There are several circles, some with diagonal stripes (pink and blue), some with polka dots (blue), and some with dashed outlines. There are also triangles, squares, and polygons in solid colors like pink, orange, and grey. A large, solid pink circle is the central focus, containing the text 'HACK MSJT 2.0'.

About IOSD MSIT

INDIA'S LEADING OPEN SOURCE DEVELOPMENT BASED ORGANISATION

We at IOSD MSIT believe that an open-source culture pushes everyone forward. The developer community is turning to open source as a way to level up and attain world-class status. We expose our students to ideas that make them think about the world around bring a potent change. Many societies enable people to discover where they can go from the beginning. IOSD MSIT works to fulfill this need. We use creative methods and incorporate a system of learning values and spreading knowledge to our IOSD family members and their communities.

A community that instilled enthusiasm in
hackathon culture in India.

We hosted **HackMSIT 1.0** in April'19 that redefined the traditional way of hackathons in India, exhilarated the true spirit of hackathons and formed the base for more such hackathons inspiring crazy coders from all over the region.
